The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 617-265-3757 or 800-637-3736. Important Questions	Answers	Why This Matters:
What is the medical deductible?	In-network and out-of-network medical (combined): \$300/individual; \$600/family.	Generally, you must pay all of the costs from medical <u>providers</u> up to the medical <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the medical family <u>deductible</u> must be met before the <u>plan</u> begins to pay. The medical <u>deductible</u> does not apply to <u>prescription drugs</u> , routine eye care or routine dental care.
Are there services covered before you meet your <u>deductible</u> ?	In-network exams, diagnostic testing, imaging, maternity office visits, preventive care, primary care and specialist office visits, outpatient rehabilitation services, outpatient habilitation services, and urgent care billed as freestanding facilities and in-network and out-of-network prescription drugs, home health care, hospice services, and routine dental and eye care are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.  Exams, testing, and <u>urgent care</u> billed as a hospital are subject to the <u>deductible</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-network: \$1,500/individual; \$3,000/family. Out-of-network: \$4,000/individual; \$6,250/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit?</u>	<u>Copayments</u> , <u>deductibles</u> , penalties for failure to obtain precertification, <u>premiums</u> , <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.tuftshealthplan.com/carelink/ironworkers or call 800-768-4695 for a list of in-network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All  $\underline{\textbf{copayment}}$  and  $\underline{\textbf{coinsurance}}$  costs shown in this chart are after your  $\underline{\textbf{deductible}}$  has been met, if a  $\underline{\textbf{deductible}}$  applies.

Note: Charges for out-of-network Emergency Services, air ambulance services, and care provided by an out-of-network provider at an in-network facility will be paid as required by the No Surprises Act.
