

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 617-265-3757 or 800-637-3736. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform.com or call 617-265-3757 or 800-637-3736 to request a copy.

Important Questions	Answers	Why This Matters:
What is the medical deductible?	In-network and out-of-network medical (combined): \$300/individual; \$600/family.	Generally, you must pay all of the costs from medical providers up to the medical deductible amount before this plan begins to pay. If you have other family members on the plan, the medical family deductible must be met before the plan begins to pay. The medical deductible does not apply to prescription drugs, routine eye care or routine dental care.
Are there services covered before you meet your deductible?	In-network exams, diagnostic testing, imaging, maternity office visits, preventive care, primary care and specialist office visits, outpatient rehabilitation services, outpatient habilitation services, and urgent care billed as freestanding facilities and in-network and out-of-network prescription drugs, home health care, hospice services, and limited routine dental and eye care are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. Exams, testing, and urgent care billed as a hospital are subject to the deductible.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-network: \$1,500/individual; \$3,000/family. Out-of-network: \$4,000/individual; \$6,250/family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.
What is not included in the out-of-pocket limit?	Copayments, deductibles, penalties for failure to obtain precertification, premiums, balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See https://harvardpilgrim.org/ironworkers or call 1-800-708-4414 for a list of in-network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
